SUPERINTENDENT'S REPORT

Jefferson, N. H., Feb. 1, 1939.

Following is submitted my fifth annual report together with table of school statistics.

Schools opened the present year on September 12th with two changes and two transfers in the staff.

Miss Jeanne Adams accepted a position in another district and Miss Brown at the Meadows was transferred to the Highlands. Miss Grace Enman of the Riverton School accepted a position in Lancaster and Miss Carpenter was transferred from the Hill to Riverton. Miss Eleanor Hunt, a graduate of Keene Normal, was placed in charge at the Meadows.

The High School opened the year with a registration of 30 pupils distributed as follows: Seniors (8), Juniors (7), Sophomores (2), and Freshmen (13). There were 9 registered in grades seven and eight.

The usual health examinations have been conducted by Dr. L. C. Aldrich with follow-up work by the School Nurse, Mrs. Spaulding.

Several pupils have been provided with much needed glasses.

Standardized tests have been given as a check-up on the work and remedial work applied where needed.

A trio of students represented the High School at Plymouth on the Annual Scholarship Day in May and did well in their subject, American History.

The second edition of the school annual—The Jeffersonian—again attracted much favorable comment.

The Senior Class took a trip to New York with funds raised by different activities and doubtless received much benefit from observations and contacts made.

The Annual Winter Carnival given in January of this year was in charge of the Senior Class under the guidance of Headmaster Burlingame. The funds ob-

tained will be used to pay the expense of this year's Senior Class to the World's Fair in New York.

The Hill Elementary School is now grouped under one teacher.

This school, however, gives promise of growing to such size that it would be well to again divide it into two sections as before in order to lighten the teacher load and thereby increase the efficiency of instruction.

The School Board and Superintendent have estimated a budget for 1939-40 and this estimate will be found in another part of this report.
